

BECOME AN INDISPENSABLE COMMERCIAL LINES ACCOUNT MANAGER

A custom learning path to navigate your way toward a thriving career.

THE COMMERCIAL LINES ACCOUNT MANAGER

An agency's frontline staff has many different job titles, including Customer Service Representative, Customer Service Agent, Account Representative, Account Manager, and Account Executive. The frontline staff is responsible for servicing and maintaining existing accounts to include quoting new lines of insurance, handling all policy inquiries and changes, and ensuring that all information on an account is correct and up-to-date. They prepare and complete applications, as well as follow up on needed information. Strong technical coverage expertise is often expected for senior frontline roles, and customer service skills are essential. They are often the primary contact person for the insured. The frontline staff builds and maintains relationships, and interfaces with carriers and clients.

THE COMMERCIAL LINES ACCOUNT MANAGER LEARNING PATH is designed to guide you towards unbridled career growth—whether you are new to your career or an already seasoned professional. Walk through our professional development offerings, choose the level appropriate for you, and get closer to achieving a thriving career.
