Telecommunications and microelectronics: How should Europe (re)-act? 07.06.2022

This workshop aims to present the key findings of these EGs (i.e., a roadmap on how Europe should (re)act in this area) to a broad ICT audience. Moreover, after 2 years of intensive activities, COREnect's recommendations will be presented. A panel of leading experts in the area will discuss the feasibility of these recommendations.
