# CLUB STATEMENT

---

**The following is a statement from the club following the Prime Minister's announcement on Saturday night.**

This Tuesday marks the start of a difficult few weeks ahead for the club and our fans alike. We understand how the latest announcement regarding the lockdown may impact you personally. We hope that everyone stays safe during this tough time for everyone.

The timing of the lockdown and the insecurities it brings are, as you can imagine, the last thing we all needed. We know that so many people have enjoyed the return of football for the benefit of their own mental wellbeing, whilst bringing back some form of normality during this time. The unknown at the moment will lead to much speculation about the league and the cup competitions. We won't be commenting until we have any form of clarity.

Over the last few months, we have remained open about our financial position with you all. The club has been surviving (not thriving) during the last few months and we will need all of your support to help see us through this next tough period for all involved in sport. Unfortunately, there is so much that's out of our control.

However, what is in all of our control is this Tuesday. Whilst we will remain

clear that is not a free for all and all Covid guidance will be adhered to. We would like you to consider how you can help the club at this time. We know we have capacity for at least another 100 people to come and watch safely, which could be another boost to help see the club through the next few weeks.

## **How can you help?**

1. Please come to watch the team on Tuesday
2. Help encourage those that enjoy football to come and watch. This is the last chance for the club to generate income from matchday until lockdown is over.
3. If you can't make it or want to 'donate' a ticket we will split the money raised between the club and Fair Frome. If you can please donate the cost of a ticket and this option can be found on the ticket page.

If you can please help us this Tuesday by taking any of three options above, we will be truly grateful. Hopefully we will see you all again before Christmas.

# READING ONLINE AND THINKING ABOUT COMING TO A GAME?

If you've not attended a non-league game at Southern league level before then why not come along and visit the Badgers Hill to watch us in action?

It may not be premier league football, but it's definitely not Sunday league football. All our players have aspirations of succeeding in football, train twice a week and are available every weekend just like the top professional.

The best bit is that we don't have VAR, the opposition fans are typically friendly and it's a very family friendly environment at Frome.

We have a clubhouse with three bars, hot food served and a snack hut for those key essentials for keeping you and your children well fed.

### **Our commitment**

We don't judge our success on clicks or likes.  
We judge ourselves on tickets sold, bums on  
seats, memberships sold, takings at the bar  
and other results that create real change  
for your club.

# VICE-CHAIRMAN'S WELCOME: WELCOME TO THE ROBINS' NEST

**In the absence of Derek Graham on a well earned break, it is my pleasure on behalf of myself and all the members of the Board, to offer a warm welcome to the players, officials & supporters of our visitors from AFC Totton. We hope they had a trouble-free journey down for today's league game.**

Games have been coming thick and fast and it's less than three weeks since we both met at the impressive Snows Stadium in an exciting Buildbase FA Trophy game. Our visitors came from behind twice, before we just edged the game in the penalty shootout.

Since then Totton have been riding high in the League and look like they are going to be there or thereabouts at the end of the season. We know we are in for a hard-fought game, which will be a test of where we stand.

However, we come into this match full of confidence after our emphatic 3-0 win over higher league Farnborough Town in the third qualifying round of the FA Trophy. Personally, I thought our second half performance was the best of the season to date. It was good to welcome players back from injury, and we now have some strength in depth on the bench. Financially we are a small club and the prize money from successful cup runs makes a big difference.

At the time of writing we are waiting to hear what approach the Government and the League will take in respect of football at our level during the latest lockdown. This could be our last game at the Robin's Nest for a while!

I must still ask you all to keep your thoughts on the distancing rules of a 2 meter space between your individual group, and other supporters, particularly on the veranda, I know you start off

in the correct positions but with the excitement of the game these distances start to get closed. Please can one of your individual group keep an eye on things and just move back into the designated areas, we will get John on the Tannoy to give out reminders

Lastly, our thanks go to today's match sponsor, Fair Frome who doing an amazing amount of good work in and around the town, including running the Food Bank.

On which subject, I was overwhelmed by the generous donations made on Saturday towards the Food Bank. We are doing it again at today's game. If you all could bring something along, even if it is just one item (either food or a new child's toy/book/puzzle etc.) and drop it off with Louise. She is organising it on behalf of Frome Fair, and it will help feed some less fortunate families than ourselves in our area during these very difficult times!

I hope you all enjoy today's game, and that we can start to move into the play off places. Please make our visitors welcome, (at a distance) and as always get behind Danny, Simmo, Simon, Bally, Martin, Bash and the boys, as you always do.

Finally, don't forget to check on Monday to see who we have drawn in the next round of the FA Trophy. Anyone fancy Salisbury at home!

# MANAGER'S NOTES: DANNY GREAVES

---

As we await further guidance from the DCMS, the FA and the Southern League, it looks increasingly likely, Tuesday nights game will be the last for 4 weeks, so let's all make the most of it and enjoy what should be a great night at the 'Nest' against the much fancied, title favourites Totton. Totton have made a great start to the league, and are living up to their self proclaimed tag as league champions elect. They have an exceptional squad, full of experience and match winners who can turn a game on its head with a moment of brilliance.

We only played them 2 weeks ago in what I thought was an excellent game of football, and a great advert for the southern league. That game ended in a 2-2 draw in normal time, with 2 moments of individual brilliance from both teams, chances at both ends, and a game which could have gone either way during the 90 minutes. They certainly finished the stronger, and will no doubt take that confidence and belief into this game.

They will be favourites for the game again, and I believe we will need to raise that days performance by 5-10% to take anything from it. But we are certainly capable of that, and it's a game we all look forward to.

On Saturday, we came through a tricky FA Trophy tie against Southern Premier side Farnborough, eventually

running out 3-0 winners. I personally thought we were excellent in the main. We had some very good spells in the game, some sloppy spells, some spells where we had to sustain periods of pressure defending numerous crosses and long throws into the box, but we came through each of those tests well. We will need to do exactly the same on Tuesday night for sure. We will have periods when we will have to soak up pressure, and we will have periods when we will dominate, and we have to capitalise on this moments once again.

The atmosphere in the ground was once again superb on Saturday, and that continued into the club house after (all within the guidelines of course). Home cup ties always seem to be pretty special at our place. So as I mention above, this has the potential to be the last game for a few weeks, so let's turn up in our numbers and turn it into one of those great one off games, under the lights, before we all need to go through another tough period of lockdown.

Enjoy the game, stay safe, and we will see you all again as soon as we can.

# UNDER THE SPOTLIGHT: JON DAVIES #JD7

FEATURE BY ROB BIRD

---

With AFC Totton being one of his first clubs, Jon Davies' has certainly blossomed into a player that brings an air of excitement and flair with the ball at his feet on the pitch. He and Frome Town will need to be at their very best if they're to overcome the Tuesday challenge of The Stags, as The Robins look to add another three points to their league tally.

We caught up with Davies this week, to discuss all things Frome:

**RB - What's the biggest, football related difficulty you've faced throughout the last six months and during lockdown?**

JD7 - "Lockdown didn't change too much for me personally, being a gym owner we just took all of our sessions online – I actually returned in pre-season the fittest I've ever been because I had time to exercise all day."  
"The main difficulty which has stuck in my mind is how last season ended, it was a very difficult pill to swallow and makes motivating yourself to go again quite tough."

**How did you help your teammates stay fit throughout lockdown?**

"I wanted to do online sessions for the lads, but unfortunately this couldn't

be organised; instead we put some home workout spreadsheets together for people to follow when stuck inside – something we may have to do again shortly.

"I have to give a shoutout to Lens, he did a quite a few of the workouts and unsurprisingly came back fit as a fiddle."

**What's changed at the club when looking back on last season, and what have you learnt as a team?**

"We've had a few faces go and some new ones come in, but our mentality as a team has stayed the same.

"As a team we know what our goal is, and we're hungry to achieve it after the disappointment of last year."

**How was your time at Totton previously, and what threats do they pose as a team?**

"I played there when I was 19 and thoroughly enjoyed my time, I was lucky enough to be a part of the team that won this league and also went on an impressive FA Cup run that featured on ITV in the second round. I have many fond memories of the club and still keep in touch with some of the people I met there.

"After our game in the trophy we know they're a tough opposition,

so we'll have to be at our best on Tuesday and keep them pressured in wide areas."

**What's your biggest quality as a footballer?**

"I like to think I'm an intelligent footballer who can create chances for the team and take chances when they come my way."

"When I find pockets of space, receive the ball and have time to turn and drive at the opposition defence, I think I'm at my best."

**How would you rate Frome's campaign so far?**

"We've done okay, not as well as we know we're capable of, but those few blips are now behind us and we're working hard every day at training to ensure our form stays at a good level, we keep getting wins and in turn keep climbing the table."

**What personal, football related goals do you have for the future?**

"I'm 30 now so I don't have too many more football goals, looking back I've been lucky enough to play full-time in the conference Premier in my career and have always played at a high non-league level, which is more than most can say."

"The goal now is just to be a part of a successful team and most of all enjoy it. I've played for a lot of clubs, some I've loved and others I've hated, and at the end of the day you realise there's no point in playing unless you enjoy it."

**Who's your favourite all time player and why do you idolise them?**

"Growing up I wanted to be Eric Cantona, he that aura around him and that arrogance on the football pitch that his performances always lived up to."

**“WE KNOW WHAT  
OUR GOAL IS, AND  
WE’RE HUNGRY TO  
ACHIEVE IT AFTER  
THE DISAPPOINTMENT  
OF LAST YEAR”**

"He was a leader and always scored crucial goals; after that it was David Beckham and then Cristiano Ronaldo... can you tell I'm a Manchester United fan?"

**Who would make your ultimate, all-time five-a-side team?**

GK: Peter Schmeichel  
DEF: Rio Ferdinand  
MID: Zinedine Zidane  
ATT: Eric Cantona  
ATT: Cristiano Ronaldo

**How is the relationship between yourself and Danny Greaves, and what can the team achieve under him this season?**

"My relationship with the gaffer is a very good one, he's very open and approachable while always being honest with the players.

"He understands the game and works with the players to extract the best results on the pitch; he demands a lot and rightly so, but when it clicks into place our performances can reach a very high level.

"As long as the players keep performing, with Danny as manager we're confident of a title challenge this season."

**Finally, do you have a message to the supporters...**

"We've had some great crowds this year and the atmosphere has been buzzing, your support helps us so much so please continue to come along and support the lads as much as possible, and in return we'll do our best on the pitch.

"Please also ensure you stay safe in the coming months."

Buildbase FA Trophy 3rd Round Qualifying (HT 1:0)  
Sponsored by: Frome Town Ultras

**MOM:** Davies

**Goals:** Mannings (2), Davies

A dazzling display from Jon Davies and Rex Mannings saw us progress in the FA Trophy with a 3-0 win over Farnborough.

Frome Town produced a superb performance against higher league opposition in Farnborough to progress to the next round of the FA Trophy. The scene was set as early as the second minute when a cross was whipped in from the left by Joe O'Loughlin for Rex Mannings to tap in his first goal, and shortly afterwards another couple of good chances went begging before Max Evans was called on to make a superb save from a Farnborough free kick. The score remained unchanged until half time.

The second half started strongly and in the 56th minute a Jon Davies pass found Mannings in the area who couldn't miss and duly collected his second. 8 minutes later provider turned goal scorer as Jon Davies ran through the middle, played a one-two with a team mate before finishing comfortably into the bottom corner to conclude the scoring and secure Frome's place in the next round, lock down restrictions permitting.

Jon Davies's goal saw him record his fifth goal of the season and become our 2nd leading scorer with Simpson on 7 goals in all competitions. With Mannings (4) and Jackson (2) all looking to claim that golden boot.

## LATEST WOMEN'S NEWS

### Frome Town Swindon Spitfires

7 (Seven)  
0

Frome entertained Swindon Spitfires at the nest and got off to lively start playing some nice football in the opponents half with Hill's early effort clipping the bar. It was 15 mins in when Frome struck their 1st punishing Swindon down the right hand flank with Petteford finding Hill inside the area who struck a 1st time shot to leave the visitors keeper a spectator.

Only 5 mins later Hill was at it again after great midfield possession and a pin point pass from Hervey, Hill made it look easy to get the ball out of her feet and shoot effortlessly into the bottom corner for her 2nd.

Petteford on 25 mins knocked in a great corner to find the perfectly timed run of Perkins who powered home her header for Frome's 3rd of the afternoon. Frome in full control of the game still had to be aware of Swindon's front two and Restorick in the home goal pulled off a good one on one save with her legs to prevent the Swindon forward from scoring. Frome's 2nd corner of the game got whipped into the danger area by Petteford again and with Swindon unable to clear their lines Hervey profited with a cool side footed finish through a crowded box.

Frome could have come out in the 2nd half with a 4 goal cushion and sit back but did exactly the opposite playing slick passing football building out from the back and through midfield, and 5 mins in

Bristow popped up in the area to be denied by the visiting keeper but the ball fell kindly for Christmas to smash in from close range. Frome's whole defence were superb again snubbing out any of Swindon's advances and keeping possession for Frome as the whole team pressed for even more goals.

The 6th of the day came from a smart move again this time finding Bristow down the left who put in a great early delivery which Hervey side foot volleyed past the helpless keeper. The woodwork saved Swindon from a 7th as the tireless Underhill hit a stinging 20 yarder and would you believe it the woodwork again this time from a Thorner-Atkinson long range effort.

With the clock running down the 7th did come after the keeper spilled a cross shot and Underhill teed up Hill to slot home for a well deserved hat trick. Frome's pre lockdown game went as well as it could have with a great team effort all round and the player of the game was a tough choice again. The loyal supporting Thorner-Atkinson gang were left with the tricky decision and picked out Nieve Edwards who used her terrific pace to sweep up every loose ball from the back and distributed to the midfielder effortlessly throughout.

A massive thanks for everyone's continued support. Stay safe and well. see you soon

# IF YOU KNOW YOUR HISTORY...

---

Frome Town, known at the Robins, were formed in 1904 and played in the Wiltshire Premier League. Early success came in the form of three Somerset Senior League Championships in between 1906 and 1911, whilst in between the Wiltshire League Championship was won in 1909-10.

The Club reached the Fifth Qualifying Round of the FA Cup in 1911-12 under the old format of the competition, which was today's equivalent of the Third Round proper losing 4-1 at Southport Central, in front of a crowd of 3,366.

Frome entered the Western League in 1919 and immediately became Division 2 Champions while the Somerset FA Senior Cup was won in successive seasons 1932-22 & 1933-34 & for a third time in 1950-51.

Frome have always played at Badgers Hill and the ground held its biggest gate in 1954 when 8,000 spectators saw Leyton Orient win 3-0 in the FA Cup First Round Proper. In the same season promotion was gained to Division One of the Western League & were beaten finalists in the inaugural Western League Cup.

Promotion was gained back into the Western League after a spell in the Wiltshire League again in 1962-63 where the club remained until 2009. Success was gained in the Somerset Premier Cup in 1966-67 with victory over Yeovil Town in the final and the cup was shared by the same two teams in 1968-69.

Frome's greatest triumph came in 1978-79 when the club won the Western League. The Championship was secured by losing only once in the last 32 matches. The League Cup followed in 1979-80.

Another vintage year followed in 1982-83 with victories in both the Somerset FA Premier Cup and the Western League Cup, plus runners-up in the league.

Following those heady days, Frome flirted all too often with relegation from the Premier Division, and were relegated in 1995-96 and the Club spent several years in the lower reaches of the First Division.

The Club was re-structured off the field in 1999-00 but despite the ground being upgraded unfortunately success on the field did not follow with a re-structure of the league saving the Club from relegation into County football.

Frome improved rapidly and after finishing third continued upwards as they won promotion back to the Western League Premier Division after a six year absence the following year & also reached the final of the league cup.

With Frome struggling to win at home during the 2003/04 season the Club turned to the help of a local "White Witch", Titania Hardie. This move brought huge media interest from all over the World. It worked immediately and they went on a magnificent run that saw them go on to finish 3rd in the league.

The 2004-05 season saw the Club celebrate their centenary & events on the field saw the Robins reach the Quarter-Finals of the FA Vase before eventually losing 3-0 at Jarrow Roofing.

A seventh, third and fourth placed finish saw the club continually improving and then runners-up spot in 2008-09 secured promotion into the Southern League for the first time in the Clubs history. The Somerset Premier Cup was also secured with a 3-1 win over local rivals Paulton Rovers.

After a poor start to life in the Southern League and a quick change of manager Frome went on an incredible unbeaten run and finished the season in sixth

place and just three points from a play-off place. 12 months later and Frome beat Sholing 1-0 in the play-off final to secure promotion to the Southern Premier Division.

The summer of 2011 also saw the Club receive the prestigious FA Charter Standard Community Club status and, in 2012, after a great first season in the Southern Premier Division the Club were awarded the title of Community Club of the year for Somerset and then also picked up the regional award that took them into the national final.

Over the last few seasons the Robins have retained their league status while also finishing as runners-up in the Southern League Cup and the Somerset Premier Cup.

2016/17 was our most successful league season to date with the Club finishing in a respectable 8th place in the Southern League Premier division with our highest points total.

After a difficult season Frome were relegated back to Division 1 of the Southern League at the end of the 2018/19 season. With wholesale squad changes it will be interesting to see how this season develops.

<b>CURRENT LEAGUE POS:</b>	<b>2ND</b>

<b>DISTANCE TRAVELLED:</b>	<b>78 MILES</b>

Farnborough Football Club is the re-birth of F Totton Football Club formed in 1886 & became a founder member of the Hampshire FA & was a founder member of the New Forest League in 1904. After the 1914-18 War, Totton entered the Southampton Senior League, the New Forest League & in 1920/21 joined the Hampshire League West & later moved to Testwood Park.

In 1975 the club amalgamated with Totton Athletic to become AFC Totton. The Stags most successful season was in 1981-82 when we won the Hampshire League Division 1, Russell Côtés Cup, Hampshire Intermediate Cup, Southampton Senior Cup & Reg Mathieson Trophy. In the 1986/87 season, the Stags became a founder member of the newly formed Wessex League & finished third. In 1989/90 the Stags won the Wessex League Cup & in the 1990/91 season was runner-up to Southern League Bashley in the Russell Côtés Cup.

The 2002/03 season saw us enjoy a good FA Cup run before losing to Slough Town in a 1st Qualifying Round replay. The Stags gained some silverware beating League Champions Eastleigh 2-1 in the final of the Wessex Football League Cup. The 2005/06 season saw many changes with Stuart Ritchie now at the helm. The Stags achieved 4th place in the League, had a good FA Cup run & won the Wessex League Cup

for a third time. 2006/07 was the most memorable in our history. Leading the table since October, we missed out on the title by one goal to Gosport. The highlight was reaching the FA Vase Final for the first time in our history. Played at the new Wembley Stadium in front of a record 36,232 crowd for a Vase Final, we had to settle for Runners-up spot after losing 3-1 to Truro City.

The 2007/08 season saw a good early run in the FA Cup & that momentum extended into a great run in the League. The team produced a stunning 27 points from 30 in March & April. This sealed our first Wessex League Championship & promotion to the Southern League South & West Division 1. The 2008/09 season saw the Stags finish 3rd in the league & secure a place in the play-offs.

After beating Beaconsfield SYCOB in the semi-final, we lost the final in extra time to Didcot. 2009/10 saw the Stags win the Hampshire Senior Cup for the first time in our history. The Stags narrowly missed out on promotion for the second season in a row, finishing runners up in the league. We lost the play-off semi-final to Cirencester Town 2-3. In 2010/11 we retained the Hampshire Senior Cup after beating Sholing 3-1 at St. Mary's Stadium. This was eclipsed by the club being crowned Champions of the

Southern League South and West Division 1. We were named club of the season & picked up the fair play award along with the Merit Cup for the most goals scored. The Stags celebrated a golden boot award for crowd favourite Mike Gosney, who scored 36 goals.

Highlight of the 2011/12 season was reaching the 2nd round proper of the FA Cup for the first time in our history. The Stags were beaten by League 2 side Bristol Rovers with the game shown live on ITV.

The Stags reached the Hampshire Senior Cup final for the 3rd season in succession but lost 2-0 to Eastleigh. The Club narrowly missed promotion to the Conference South after losing 4-2 to Oxford City in the play-off final after only one season at Southern Premier League level. The 2012/13 season saw AFC Totton consolidate their position in the Southern Premier League finishing 14th. The home results disappointingly did not match performances away from the Testwood Stadium.

The Red Insure Cup saw an early exit to Sholing, but a better run in the Hampshire Senior Cup ended against a strong AFC Bournemouth side with the Stags losing a penalty shoot-out 4-2. The Stags reached the 4th Qualifying Round of the FA Cup but lost 3-2 at home to Cambridge City. On the way they recorded a remarkable result in

defeating the then Conference South side Truro City by the same score in Cornwall.

The 2013-14 season saw the Stags undergo major changes, caused by previous miss-management of the Club. Forced to field mainly inexperienced youngsters in the tough surroundings of the Southern Premier League, relegation was half expected. Although as the players matured performances improved, the dreaded drop could not be avoided. The Stags then spent the last few seasons rebuilding & in 2018/19 finished 10th in the Southern League Division One South.

With the 2019/20 season abandoned, the extended break has seen significant changes at AFC Totton. With a new management team in place & a major overhaul to the playing squad for the 2020/21 season, the Stags will be working hard to mount a challenge at the top end of the table, in an extremely competitive league.

# LAST TIME WE MET

## FA TROPHY - OCT 2020

### AFC TOTTON 2-2 FROME TOWN (5-6 PENS)

Max Evans was The Robins' hero as he made several important saves, including an AFC Totton spot-kick, as they won 5-4 on penalties on The South Coast securing their place in Third Round Qualifying of the Buildbase FA Vase.

The Robins made a great counter-attacking move on the 10th minute mark which left Jon Davies in the box with the keeper to beat, but his close-range shot was well saved by The Stags keeper.

Jon Davies scored an absolutely fantastic free kick from about 20 yards out which gave the visitors the lead on The South Coast with 15 minutes gone.

Celebrations would be shortlived for The Robins as Jack Masterton scored a similarly well-taken strike for The Stags just minutes later.

It was a rather tame affair after the quick succession of goals, with neither side really getting a hold on play but both playing some decent passing football.

The game would be set alight again as Sam Teale inadvertently got a touch on Rex Mannings' shot from outside the area, which went past The Stags' keeper.

AFC Totton would strike back quickly once again as Ryan Oatley put the ball past Max Evans with 12 minutes left on the clock.

The match would stagger its way to penalties where Evans would become The Robins hero as he saved two Totton spot-kicks, before Warren Maidment scored the winning penalty to send the visitor into the next round of the FA Trophy.
