Learn new skills • Help make your area more bike-friendly

LOVE TO RIDE

...is an online cycling encouragement platform dedicated to helping more people ride bikes.

We at Love to Ride believe that when more people swap cars for handlebars, our world will become a cleaner, greener and happier place to be.

Log rides, set goals, earn badges, access educational content, connect with other riders, and find support to ride more. New and regular riders alike are invited take part in challenges and win big prizes just for heading out for a ride!

Win prizes throughout the year...
