

BUSINESS OWN CORPORATION – GLOBAL ADMINISTRATORS WEBSITE HAS OFFICIALLY MOVED TO A NEW DOMAIN

Domain Name has changed, what does this mean for your company

Business own corporation – G.A (BizOwn inc), www.octahedge.com, July 11, 2023, a leading provider of socio, business & professional development solutions known for the high-quality legal, business and financial documents which can be created on any device with an internet connection, is officially launching its new domain name, www.octahedge.com. With this change it will offer an even more comprehensive service. Nothing has changed, it continues to provide the same great service you're accustomed to under the previous domain [www dot biz-own dot ga](http://www.biz-own.com). Anyone visiting the website can now follow it @ [BizOwn inc](https://twitter.com/BizOwnInc).

The company transferred to our new domain in June 2023 to better symbolize our expanding range of worldwide capabilities. And, as a result, the brand has decided to formally migrate the Business Own Corporation to a new domain name.

The Business Own Corporation is one of the few platforms for creating specialty documents as required by the business professional. Leveraging its website and capabilities ensuring guaranteed customer satisfaction.

Additionally, and in contrast to many other service providers, The Business Own Corporation can be used without any technical knowledge, thus creating a platform for anyone to create proficient business, legal or financial documents. This also allows users who take advantage of the platform to excel professionally.

The company is always testing new, innovative ideas to deliver the goods the customers want. Business Own Corporation provides an opportunity to do that while also creating growth strategies that are beneficial to its patrons. As a digital direct-to-consumer brand it is uniquely positioned to deliver a compelling business platform, and is looking forward to onboarding new innovations as it expands.

The platform list spans an assortment of categories such as Advertising, Banking, and Proxies alongside a wide range of informative articles.
